# Goodbye roaming, hello world.

GLOBAL, BUT SWISS. 

## APP INSTALLATION

1. Download the app

2. Register the app

**UK: +44 xx xxxx xxxx**

When registering the app, enter **this number**.

## CALL INSTRUCTION

1. Dial **00** or **+** followed by the country code and telephone number (e.g. **00 44 20 1234 1234** or **+44 20 1234 1234** for UK phone number). Press **call**.
2. After a few seconds you will receive a **call/recall** from HEIDITEL, then press the connection button again and you will be connected.

Important!

Please always activate data and roaming for the HEIDITEL SIM.

Every HEIDITEL SIM card is preactivated and ready to use for calling or data. Please turn off automatic updates on your phone (otherwise possibly high data consumption).

HEIDITEL SIM card works in over 200 countries, around the world.
